Rhus Catarrh, nose shuffles up
Cough from irritation in right side Dros.
Sore throat in Rheumatic patients, feeling as if throat has been strained. Can't talking can't swallowing nose. when throat sometimes is better after talking a while. Esophagus feels contracted from swalling something hard, Cough worse damp weather, while getting wet while warm.
sputa bright red or bloody. stitches in Chest worse from deep and breathing and at rest; worse lying on pain left
Dry better lying on pain left; worse on moving body.
Rhus Typhoid pneumonia, Compare
Ars, Verat, Carbveg. Rhus brain symptoms from hyperemia or reabsorption of pus in pneumonia Hemoptysis Caused by violent exertion blowing wind instruments, Hemoptysis at every emotion. One of best Rem for certain kind of influenza, Erupt per aching in every joint; see Dengue fever
Food tastes bitter Especially bread, putrid taste in mouth
Thirst for Cold milk, longing for oysters, hyperlaxis,
Colic heat drinks, but walks about, Colocynth Nervous

Verat. they turn around holding abdomen.) Rhus
Boils in Axil. mucus lumps, bloody, much heaviness
heaving down in thighs during stool. fissure of anus
periodically bleeding piles.
Opuntia Ops. scrotum Edentatum, or Erysipelatous, Eruptive
pimples, pain in Children, phimosis, dark red, swollen, Eczema
oozing moisture, in prolaps uteri, Caused Especially by
overreaching, labor pains, in after pains when you exposed
women has strained a good deal, also tendency to.
Erysipelas, when lochia becomes long and offensive
after dis to pinkish and it afterwards stops, Clouded
appearance of the urine after standing, Rhus has most
passage of urine at night during sleep, dribbling
or passage of urine during day more from left
heart weak trembling feeling numbness of left arm.
when it worse after violent exercise.
Arm tingling in left arm with heart troubles.
Actea Race. Arm feels as if it were bound to one side.
Spine muscle lumbago rheumatism begins to move
pains in muscles, also Calc Fluor.

Leguminosæ

Physostigma – Nux V. Bell

Baptisia tinct. — Nitr. a. Ars Kali Chlor
Rhus Mur. a. Arn Cupr. Plumb
Opium

Robinia pseudo acacia

Cytisus — Cuculus. Mur. Lueticus > Nux V. Merc.

Indigo — Spig Solan nc
Nux V. Lycops, Tongo, Ign

Gum Arabic — Tragacanth, Tolu, Liquorice Tamarind
Peas, Beans, Lentils.

Staining Staining.

Rhus Lamenback from overlifting (Sul) when worse from least motion) Rhen of lower limbs, tingling and numbness. (Rhus paraly is hard to cure) Rhen especially fibrous tissues, sprains. Rheumatism worse from rest better from continued motion.
Tendency of Rhus is towards Erysipelas.
Excellent for Impetigo. bright red areola spread out small pimples around orig pustules.
Rhus thick humid Crust, angry looking swollen glands, offensive odor. Lycopo Crust lack on occip some Crusts. smell acrid is mild. Ars along border of hair on forehead scales like bran, Cale thick oozing scabs secret mild, or dry scales appearing in spots, Fever intermit fever Chill begins on one side or thigh, nettle rash, hydroa, around mouth (side Nat Mur. Apis) has chill also at 10 am Scarletina rash miliary; comes like little red points also after Bell when stump turns dark red Edema tongue red dry smooth, profuse smells + dis of feet ichor.

when parotis glands affect use Calc. Esp when veins appear through the skin. Iodoform. also Kali Carb also Ammo Carb. Rhus in diphtheria same Condit of parot gland & discharge from mouth bloody Saliva.

Rhus glabra sore throat, also Rheumat headaches beginning in the occiput.

Leguminous Plants

all are rich in fluorides also in phosphates, when a woman has children has poorly developed in nervous system, give to Eat once a day some lentils contains a great deal of the bone producing materials.

Capsicum acts powerfully on mucous membranes produces intense swelling of the uvula, burning sensation thick yellow pus discharge, pulsating. Urine smell like violets, has a rash resembles measels, Hep is best antid Mercury. Allium violet odor. more pus may about pain, throat more red being mixed with blood.

Robinia pseudo Acacia. Intense sour stomach. seems as if the teeth were set on edge.

Indigo powerful poison, Convulsions, succeeded in spasms & Epilepsy Cured by worms, spasms preceded by melancholy and stupidity, intolerable itching from head to toe, Indigo is an antidote to Sodium

Physostigma, Calabar bean, used extensively to contract the pupil. Belladonna dilates the pupil, ache in back Column of spine, terrible spasms tetanus. used in Epilepsy with opisthotonos tetanus

X Baptisia in Typhoid Constant low delerium patient thinks her head is scattered over her bed and thinks she must get it together again. While answering a question he drops off to sleep mentally restless, too lifeless to move, Confused as if drunk, besotted look. Skin yellow with deep scarlet flush. Teeth Covered with sordes, mouth full of ulcers, fetid breath. tongue white dry

yellow centre later, dry dark red shining cracked
and ulcerates or brown streak down centre
absence of pain in throat, can only swallow liquids.
Stool yellow mushy horribly fetid. Urine is
offensive and dark red. Patient cannot lie long any
where get motion is painful. he finds bed so hard
feels as if aching every. head thrown back
jaw dropped also if down in bed. putrid breath.
Nervous symp predominate, Bapt Gels Arsenic.
Nit S, Cera. Rhus. Mur A.,

Ars. bed feels hard, sleepwhile answering.
Mur A also down in bed. ulcerated sore mouth
but ulcers are bluish not black. also tongue
bluish. dry hard, face bright glow, glowing red.
Bapt as if bits of head were flying off.

Rhus. dream they are working performing physic
exercise, roaming over field, answer quick.
listless look. or anxiety with red face, brown hard
mucus in mouth. wishes to lie in one spot but
as a rule cannot remain quiet, bitter from motion

× Bry Alb. acknowledgements, runs tissue,
differs from Acon. use applicable in later stages of inflammation
Differs from Bell, Bell when extract, more hyperesthesia
Bry typhoid symptoms in beginning, until 1st week of dorsal decubitus,
desire to be quiet, does not touch tongue, pain in head, tearing
worse from motion, headache until 9 worse from rising, putting
cold cloth would relieve, eyes feel sore, tension of eyeballs worse
when just goes to sleep, dreams what happens during day.
nearest analogue in typhoid is Rhus then Nux. then Bell

Bry.
delirium with
wants to go home
talks of business of day
dreams of same
Bell delirium becomes more
wild loud talking.
eyes wild, sparkling then
we have Bell.
Bry darting pains worse
motion
Bell throbbing

Bry see people when they open
their eyes expect to see them
Bell visions frightful
Both have hasty speech &c
Bry tongue white down in the
or thick brown mucus
Bell white down one side
or red edges with white coat
Bry dry parched lips dry
mouth no thirst or salivation
thirst much after
Bell parched lips tongue
tongue

Bry dry Evening Cough. Bell sore throat
Bry aching legs Bell legs numb tingle
Bry Pains in thin dry nervous. Bell plethoric.
Bry irritable peevish. Nux more irascible,
Bry vertigo when sitting up faintness weak
Nux " brain feels as if Coming thro' forehead
Bry mouth dry. Nux tip of tongue.
When Bry mouth remains unless from mouth
Nux Sour milk.
Bry Eructns. Empty Nux Sour Food,
Bry soreness of Stom from motion, Nux bruised
feeling in hypochon (right) Sore feeling in abdomen
Bry wants to lie still. feels worse on motion legs
ache, Nux irresistable desire to lie down legs
feels as if they would Cave in and Extreme Nervous
weakness. Bry has more nausea.
Both have Constipation also

Bry nimb during sleep odor rotten cheese
Mur frog small excoriating of putrid watery.

I Sino lumbres prisonati in Syph pat Stilling + Phytolac
II Malig pustules Bufo + Lach
III Hydrogastes stool China similar Ter Ars als Rhus A.
IV Secale in Cholera fingers opened out.

Bry stitch pain worse from slightest motion in pleurisy can rest in painful side,
in pleurisy acon in first stage. Bry. ant if Bry does not cure Sulph. Ranun bulb for intense Rheumat
China some white tongue is extreme soreness.
Meningitis, when base is affected. Bry.
face suddenly changes color. Child rotten; Child cooling after fever dark red, dry parched lips, tongue dry brown suppressed or painful urination hasty inspirations drinking and wailing. Rhodo pains from side to shoulder
Bell Rheumatic pains. Bry and Rh change of disposition

Bell violent raising. Bry quick moaning breathing
Bell irregular breathing. Bry face puffed dark red
Bell face scarlet sparkling eyes both have chewing
motion of mouth, most marked under Bry.
Bry twitching of mouth & eyelids, Bell jerks & spasms
of face.

Bry.

headache worse on left side as if head would split
open, bitter lying on painful side. Oily sweat on
scalp. Nat M has oily sweat on face looks as if face
had smeared oil on face. Lac Vaccinum will cure when
butter like crust in corner of mouth, potentized Cow
milk, Iris Versicolor Eruptions this oily appearance
Sepia, Sulph, yellow spots on scalp scales look like
wax.

Nose Bleed. face pale hot, also Cina, Odontalgia worst
tooth, pain going from tooth to tooth worse from tobacco
and becomes deadly. Cold water laying on painful side
worse Coffee. Chamom from putting a cold sugar on the
tooth relieves,

tongue coated yellow down middle, dry mouth no thirst or drinks seldom much at times bitter taste, nausea and vomiting after Eating or drinks or on lifting up with faintness, pressure in Stom aspon at times, L motion Costive alternate and as if burnt.

Ars. Bry drinks seldom but much at times, Ars often but little Bry eats often little at a time Ars. seldom but much at a time

Liver Complaints, when pains in limbs pain under right shoulder blade. viz Chelidon Maj. it has right yellow diarrhoea, Bry Constipt. Mere Canust tis all parts viz right viz,

Bry in changes from cold to warm, warm damp, diarrhoea from L after getting up in morn and beginning to move, viz Sul, Nat Sul, Rumex. Podophyl. Pod Sul Rumex hurried out of bed. Nat Sul when they begin to move about, Inutility of undue required Exercise. Bry has also indigested stools, dirty waxing stool viz Lepthandria but more Gushing as Lepthandria Bry dark wine no sediment.

Cough spasmodic Cough. starts in throat upon lying with Pneumonia. M.M. Stomach Cough. pain in pit of stom aggra after Eating. Bronchial Cough take stage of bronchitis, splitting pain in head, sharp pains in Chest expector yellow bitter, or dark brownish blood.
Rheumatism in any inflam swelling when there is a feeling of tension in parts feels hot, darkred or Green pale. Bry has often abortive Carbuncle.
Bell great redness spreading in streaks, Bry inflames deep tissues lymphatics making red streaks up arm &c Bry, Rhus, Sil, Bufo.
Rhus worse from motion, Affects the muscles deep, Ascites from dis of liver, swelling goes down at night Rhus has opposite, Sleep when after giving Bry you will have patient gain in sleep. don't give many doses after this, it is a sign it is doing good.
Bry. drowsiness, feels tired,
Fever intermit fever Chilliness predom hot face hot head

Chilblains tips of fingers or toes, sometimes sour Breath
Skin Rash from Eating Strawberries, Rash in Children and
during Childbed, in Measles &c, when Rash does not come
out the have Bronchitis or asthma,

X Elaterium good in dropsy. profuse serous diarrhoea
very watery and of an olive green frothy and profuse.

X Colocynthis bitter Cucumber, action is very powerful
Action irritates the fibre profuse watery stools. Hydragogue Cathar
Action Sensory nerves also Ganglionic & solar plexus also
V pair of nerves and Great sciatic.
In neuralgic cases are almost identical with Dioscorea.
Mind. Irritable from any or with indignation. Colic cramps
vomiting bilious Diarrhoea, patient dreams wants to talk
to old friends,
Chamo. anger with rebukes, Stabbing Shooting, weeping or acti
least cross hurts offends grieves, in adults and Children will
push things away. Caust when Colocynth particularly cures

Headache, worse on left side, worse from anger, boring pains, tearing pains & Cramps. Neuralgia in face Tic Doloreaux Chamomilla left side, shifting about hot sweat of head and face. Caust. Chron headache burning in eyes, hard hearing, dim sight, face ache right side.

Colocynth, Colicky pains, when bending pains better bending double or press against something hard. In Colic spoiled by laudanum, Opium, give Cup of strong Coffee and follow with Coffee. Dysentery worse from food or drink stool Contains scraping more Cutting than tenesmus. Colic relieved by stool. Bilious diarrhoea after anger when Colocynth will not cure Colic give Caust.

Dioscorea pains cut & dig leave abdomen and go it may be to groins &c. better from walking about.

Urinary Colocynth dysuria Cramps pains over whole abdomen. Copy stringy urine. burning along whole urethra during stool. good in paraphimosis of gums in time, good in Rheumatism to remove the after stiffness

but if there is gouty deposit give Caust.

Sciatica Colocyn. Night? Cramp pains, sharp pains like lightening down leg worse night pains Drag numbness ankle partial loss of control. Colocyn Puls will cure nearly all. Colocyn has cured ovarian tumors with peculiar Colic

Dioscor dry mouth, no thirst worse water. Vomiting purging watery stools, hurrying them out of bed in morn Cramp pain bowels which go down into legs.

Chronic water diarhoea in morn vide Sulph.

Pain shifts pains spreading over abdomen.

Drag feet usually appear to leave heart and go to other parts, Dios patients are subject to felons vide Rhus Sil especially when they live in a damp house, pain better in cold air. Dios best medicine for inveterate cases at night especially with weak knees. Neuralgic pains in limbs better from rubbing and continued moving about.

Liliaceae

Allium Cepa Cough is > by eating apples. the odor of the breath by Eating pears. when Allium Cep partially Cures Phos will Cure. Bad effects from eating Onions give Thuj.

× Allium Cepa Coryza, in weather NE winds, Chs Excoriates while lacrymatn is mild, Freq sneezing, violent spasmodic, Cold goes from left nose to right; into Euphra lacry excor. dis from nose mild, goes from right nose to left. great eye medicine Cepa Cough, Child grasps throat with his hand. Crouches up. produces great pain in Larynx, produced by acute and violent inflam of the Larynx. (Phos, tendency to spread to Chest, bronchi &c Hoarseness and Laryngeal soreness) Cepa excessive flatulence Caused by overeating high living, Copious flow of urine, Cutting Colic nephritis or not Copious flow of urine, Effused paralysis of face and tongue occurs after poisonous bites Copious flow of urine. Blisters on heel after walking Onions

× Allium Sat) but on heel will draw off water blebs, if Alienation has taken place Water Carb.

Lycops Cures troubles in instep.

Lilium Tigrinum, profound influence on female organism
depression of spirits, thinks he has some organ dis.
Ungrateful Cannot remember words. Great medicine for
uterine diseases, Crazy feeling on top of head.
Must walk about must be doing something and yet have
no ability to really do anything. Clammy Colchus of the extrem
Abdomen tendency pressure, Can walk on even ground
but motion worsen (it shakes her?) bearing down pains
sacral pains, or bearing down only in one groin, all relieved
by pressing or supporting the vulva.
Urine is difficult (anteversion) smarting after urinating
diarrhoea which hurries her up A.M., burning & smarting
after stool. menses are too late and too scanty. in mal
positions of uterus, pain thro left groin to back, also
feeling as if the heart were grasped by the hand vide Cact
Compliments Sepia.
better Lil Tig > pressure Sepia > from crossing legs.
Sepia < worse A.M. to Noon better P.M., Lil Tig P.M. & Even
Plat has been given after Lil for mental Symptoms.
Dr Payne found Helon antidote the Lilium Symp.
 Act has drowsiness langor all time

sore mouth, glands swollen, Heart Symp Lilig.
Cramp sensat as if heart was squeezed with vamus Dyspnoea of Chest, fullness of Chest oppression of breathing taste of blood pat feels ☉ open air ☾ warm room, if pat urination Chest is relieved. affects right heart nervous heart, (Puls is Similar) after Confinement when uterus fails to return to its original size, if Lil Lig fails try Kali Brom.

× Aloë Soc acts on Colon Especially rectal mucous of Colon, Closely related to Ralph, Cause portal Stasis, hemorrhoids, rumbling in abdomen like water pours from a hotter, gelatinous strings &c, feels as if much would pass, worse in hot damp weather ☾ acids, stool introb on walking. Weakness of Sphincter Ani, Fainting after Stool when Aloes Immunis part Sul Completis, Stool passes unob and often with flatus. vide Alcandar when Children stains their Clothing.
Aloe when piles protrude like bunches of grapes ☽ Cold water washing.

Umbelliferae

I/ Conium — Nux v, Lepia, Lycopo, Lach, Clemat — Nitr Spir

II/ Cicutaceae — Bell Opi, Ign, Hyos, Lach, Sars, Meyer, Croton, Ros, Graph, Arn, Tabac

VI/ Asclepiadeae — Puls, Canst, Merc, Thuja

IV/ Ranunculaceae

V/ Lauraceae

VI/ Aethusa Cyn — Bell, Lachn, Op, Hyos, Stram, Cupr, Id, Canth,

VII/ Ammoniacum Gum — Ruta, Bell

VIII/ Petroselinum — Cann, Thuja,

IX/ Anisum Stell — Senna, Jalap,

Scilla maritima leads to cause dropsy of internal
increased secretions from mucous membranes, acts on
Kidneys, secretion of Urea is mixed with blood.
very good in inflammations caused by bloodletting.. large doses
acts narcotic effects, bloody urine, convulsions.
It has been given in Oedema pulmonum especially if this is the
result of bloodletting, scanty smoky urine, Ascites,
with ulcers on legs and same urine, (Apis has same urine)
Pneumonia or Catarrhs of Chest in Pleurisy. we have pus
mucous râles dyspoena from least motion cannot drink
water, short Stitching Cough (in Nitrum dyspoena is
so great they cannot drink) (Nitrum the dyspoena is
greater than the intensity of disease generally.)
Cough tickling Constant day and night sometimes
loose sometimes dry. loose more Cough is more irritating
than dry evening. Given in Consumption it has been found
to remove the tickling Cough. Cough with viol Coryza
sore nostrils, sore in a perfect quinsy, with spurting
of urine, stitches in the Chest. lips dry black or thick
yellow Crust, black watery stool.

Umbelliferae affects glands esp mammae delirium spasms, dis of sex spheres, asthma, all are good for flatulence,

Ammoniacum Gummi, dis of eyes, when they feel tired and strained from over work. headache and throbbing, Congests to eyes. Hard to lift even Rubs when they appear strained Bell. from Congestn.

Ammo Cum Combines both

Anisum Stellati, good in the colic in young children Coming every now and then until Child are about 3 Month old, 3 mths colic. Pain in right Chest 2 inches from Nipple when this pain Comes in left Chest, particularly Tar.

Rhellan Aquat: last stages of Consumpt. to aid in Expect of pus. Fetid breath, pain in the lactiferous tubules during lactation,

Cuprum Met, depresses nervous system languor dizziness desire to lie down, closes eyelids, disturbs powers of accomodation, paralysis of spinal nerves, from Caudal end up. Nux Vom has excito motor, and Cuprum depresses motor.

Nux Hypochondriacal, from sexual indulgence, dread of men when they approach, yet dislike to be alone vertigo when turning around or over in bed.
Face ache, pains usually right side, Cheeks red and hot. has powerful action on Eyes. Scrofulous Ophthalmia photophobia intense, greater than the inflammation Amaurosis. Ears deafness from an accumulation of wax, looks like Chewed brown paper, or blood 20.
pulse dark wax, Carbo Veg and Graph. from dryness of ears. Mur Acid, when dark wax or Commune dryness of Ears ear hissing buzzing of Ears with deafness. yellow sediment to Urine.

pressure as of a ball hanging in Throat, Gangrenous sore Throat, ashy Color of Throat.
Cancer of Stomach, great pain 2 or 3 hours after eating Rejects Mucus up lumps of Chocolate Color.

V

Use of last two for nausea and vomiting during pregnancy only while lying down. pains that passes from bowels feels cold. Constipation hard stool, ineffectual urging similar to Nux V. Curing when it foul. Coni has trembling and weakness after stool.

Urine flows and ends only stops, flows and stops, may occur as concomitant to female trouble, Cured a case of enlarged prostate in symptoms. Urine turbid, mucus. Cutting in urethra during Emis. Vide Clematis. has same intermittent flow, but have more a urethral stricture.

drawing in one or other or both Chest Thick purulent Urine, Sex Orgs. impotence weakness of Sex orgs after masturbation legless weak. legs fail as if they did not move as quick as they do, Nux V good in first Complaint run. Orchitis from Contusion,

Female orgs induration or Enlargement of ovaries, also of Cervix Uteri, OS hard rigid lancinating & stinging pains dysmenorrhoea pains Extend to left side of Chest Soreness breasts swell become hard. Scirrhus of breast. lump in breast from pressing Chest against anything. Abdomen swelling of ovaries (increased sex desire?)

Chest oppressed breathing more difficult in old people.
Cough, worse at night all night long. Cough loose but Expectoration
must be swallowed. Pulse and breathing irregular during
sleep, All joints pulse if touched. Trembling of limbs, tingling
feeling in spine, spasmodic pain in back. patient feels sleepy on
waking better after moving about, restless from exercise.
Spots having a yellow appearance like abscess but with it is
getting well like Sul Acid, Cure for diseases of old people.

Circulation. Pulse in Consciousness of brain dilated pupils, whites
Dizziness, Spasms screaming before, starting trembling of head
jerking like an electric shock, staring before they come on.
face red or blue, Convulsions of face twitching screaming
frothing, more eyes drawn under lower lids Convulsively biting
tongue during sleep and during spasms, stammering
shocks pass thro heart draws heart and arms backwards
and on chest in stomach going to spine Cause Opisthotonos
spasms during labor with these same electric shocks face
blue interrupted breathing. Convulsions from mental
emotions and pains as on, follows Grief great exhaustion
almost paralysis, Uraemia, Gallinaceous Vaccinia,
in three children spasms head sinks or drops forward

+ Ana-Loxica appears a combination of scrofula and hysterics, produces antiperistaltic action of whole tract, spasms, hysterics, hiccups in throat from stomach when Colic feels as if were drawing up and against chest, belched is heard, Colic or other pains cause fainting. Mentalls fits, play fits of laughter alternate with crying Epis. antidotes there. Acid has iritis throbbing in and around eye at night Nose opens with very offensive discharges Otorrhoea horribly offensive. faint feeling about ll am generous. after eating throbbing the abdominal Aorta.
Feels flatus and horribly offensive smell. Urine has a strong ammoniacal odor. Ulcers, involving the bones after abuse of mercury. all round ulcers the ulcer is excessively tender, offensive discharges, nervous diseases of women aggravated or caused by checked Menses or diarrhoea, causing nervous symptoms.

Ranunculaceae

I Aconite — Bell. Cham, Bry. Verat Vir, Coff. Cycl, Nux Ignat. Rheum, Arn. Sul Merc, Ars Verat alb. Hepar. Spong. Dros, Merc. Sep Sil — Arn. Sil — > Sulph Ozone

X Staphysagria — Cham, Colocyn. Caust, Coffea. Nux Vom, puls. Sulph. Calc C.

XI. Paeonia

Rheumatism Change of weather from warm to cold Ars.
Bell. Calc phos Rheumatism of joints.
After influenza Calc worse from motion Nux Vom Kalmia. Bry
when there is a feeling of soreness worse on motion.

Umbelliferae Continued

Asthma Cupr. main action is on the abdominal viscera
produces the lines Nasalis whilst his mouth is drawn down.
Child vomits as soon as it nurses. throws up lumps greenish?
followed by fainting prostration and an arousing Child wishes
to nurse again. Podo Child refuses to nurse after vomiting.
also spasm of stomach gagging. Ant C. vomiting with
white coated tongue throws milk up in mouthfuls. Calc C
when milk thrown up has a characteristic Acid smell.

Ranunculaceae.

Aconit Nap. effects from cold dry weather, Oxygen Constitution
Acts on serous membranes, develops true type of Sthenic fever.
with fear anxiety, anxious hot quick breathing. full bounding
pulse. dry skin or hot sweat, indic[ts] in all inflammatis of
whatsoever part when of a Sthenic form.
Poisonous doses. Acon has a Cumulatins effect also Digit also
Chloral Hydrate Gelc.
Tingling anesthesia Cardiac weakness, also of muscles. Resp
rapid feable or irregular, pulse feeble irreg. pupils dilated
great anguish, Cold sweat, death with or without
Convulsions, indicates in paralysis of Sensat
with tingling numbness. Also in Collaps from
severe diseases with anguish and great fear of death
Acon acts principally on ganglionic Centres.
paralysis of Acon does not depend on spinal Causes.
for Strycnine after Acon will dewl its effects.
Motion is impaired only secondarily to loss of sensation
paralysis of the centre of Sensory perception.
Depressing Effect of Acon on heart is the same as
that produced by heat, therefore best remedy for effects

of sunstroke. from lying in Sun. for Cardiac debility from summer heat. Sub is main antid for Cure evil Effects from abuse of Aconite,
Ozone is good for debility of ganglionic syst,
passed into water shaken and tea spoonful a few times a day. will remove the more effects of Acon.
Verat Vir. Congest of spine medul. brain tumors.
After excitement of pulse is intense then oppression of chest, nausea faint feeling
slow or intermit pulse. Heavy or paralyzed limbs
Burning Congest is very great. Threatening paralysis.
Acon restless anxious if paralysis tingling pains
Verat Vir. Keeps quiet depression of spirits, motor paralysis, from acting on Spinal vessels. (Nux Vom on Spine itself) Acon spasms during dentition grinding of teeth anxiety. dry hot skin or hot sweat before the attack Child takes the pistol
Verat Vir spasms in Childbed. distortion of great arterial excitement dil pupils. Child Cant sleep. trembling as if from fear before the spasm

Acon pneumonia. hot dry skin or hot sweat. anxiety
pain in or pressure face quietness, tongue coating
Verat vir pneumonia Ark excitement more important
when vomit faint feeling, slow pulse, indicate impending
of lungs. tongue red down centre.
Acon Cardiac debility of acting quickly relieved by
Digitalis. Acon Chest pneumonia or pleurisy first
give Sulph 2 hours apart Couple doses then Acon
will cure. Cough dry tickling or barking Croupy
worse every expiration loud breathing Caused by
dry cold winds into Spong & Hepar.
Spong sawing wheezing breathing.
Hepar Cough bark and rattle worse 12 P.M.

Symps in detail

Acon fear of death various time (Coff in Children)
Cannot go stopping up noise and Confusion
Disturbances. vertigo on rising hot face turns pale
(vice Verat Alb) Inflam of eyes from foreign bodies.
will even reduce the inflam while body is there when symps
don't yield entirely give Sulph.

Catarrh dry cold winter, everything tastes
bitter but water - vomiting with bitterness
Colic burning retention.
Skin black water with dry hot skin (Ars Hahn)
skin like chapped stomach, Dysentery in
fall but days cold nights
During preg must piss at 2 or 3 am to urinate
suppressed urine from fright.
India in gastric fever when there is bilious symp
heart disease sting of left Arm Rhus rumpens ^ paralysis of
wrist, adapted to plethoric people, girls of a
ruddy Complexion who lead an inactive life.
Spirits all asthenic fever. Typhoid &c: never to be given.

Actea race. or Cimicifuga. Black Cohosh. Black snake root.
Acts on nerves of sensation and nerves of motion, Acts on muscles, Spinal
myalgic pains, All the neuralgic pains ~~of~~ or nervous phenomena
are reflex of ovarian or uterine troubles.

Declares she will go crazy and declares the top of her head will
fly off. suicidal mania when neuralgia effects the brain,
Suspicious of everything will not even take medicine, indifference
takes no interest in household affairs, sense of a heavy cloud
over the mind and heaviness of heart, neuralgia affects the
eyeball, eyeball feels sore, sore feeling when pressed upon
same as Spigelia Spigelia worse from Sunrise to Sunset,
Actea 2 Even and night,
Actea Consumption 1st stage whooping hoarse Cough Cough
at every attempt to speak. Cough only at night, frequently
relieved by Actea, Dryness of pharynx in a small spot.
Rheumatic sore throat, with irritation of spine & stiff neck worse
from swallowing resembles Kali-Carb.
Frequent profuse watery Urine, bloody Urine, (in rheumatism)
After pains Cause nausea and vomiting pains felt mostly in
Uterus, Cactus given for nervous Chills, in labor, (Opium for Chills in 1st Stage)
Depression after nervous Chill coming on before every menstrual
period,

Actea might to be given in last month of preg to hasten labor.
30 pot 2 or 3 times a day. if labor pains are produced give oftener.
Labor pains are less severe,
Actea does not produce intermittent labor pain, but Continuous
pain Can give it every 3 days during last month.
Patient dislikes to be more, Cramps from least move, Uterus
does not Contract properly great sensitive to touch,
no sensation in after pains they seem agonizing. pains
shoot across abdomen from side to side, if they go
from right to left hypogo. if left to Right with nausea
Ipecac) Dragging aching limbs, pains extend
into thighs, back ache, heavy Contracting pains
in abdomen.
Intercos chew Right side with stitch pains rheumat.
also Rainy days, Actea if patient is a chew drink,
Actea palp of heart sharp new pains about heart.
when Connected with Uterine troubles.
Angina pect. pains radiate over whole left chest down left
arm Arm feels as if bound down pains Cerebral
Cramps, unconsciousness patient Can scarcely
breathe, when associated with spinal irritation, tenderness

of spine to pressure, hair purple face intense pain in leg of heart. Cold sweat on hand and numbness of left arm. Compare with Spigelia, Aches cause tingling of muscles of spine and malarial fever. Cerebro spinal meningitis. excessive muscular soreness all over the body. delerium patient sees Cats &c. Shooting shakes down spine, throbbing from neck to rectum, uterine heart, Spinal irritation. Esp if caused by Uterine diseases, soreness on pressure about last cervicle vertebra, Rheumatism in myalgia esp when they affect belly of muscle, pains fly about from place to place, Rheumatic pains in legs which accumulate growing pains in girls vide phos a. Neurasthenia. sleeplessness of nervousness and in women cannot sleep because they feel numb all over or they wake up feeling numb all over. vide Kali C., Sacharo climacteric period, Rheumatic fever esp from 12 to 4 P.M. Chorea in rheumatic patients of suppressed menstruation. the whole body seems in constant motion loss of speech can hardly swallow. Caulophyl is very similar in its action on spine & Uterine Orgs. but the distinctions Aches pains Continuous, Caulophyle are pains intermittent sleeplessness from nervous irrit. / — from nervous relaxation.

Caulophyl spasmodic pains in bladder chest & broad ligaments, Actea Continuous pains in - - - -.
Caulophyl labor pains fail as if patient was tired, also deficient labor pains from rigid os uteri especially when there are pains like needles in the cervix.
Actea prolapse uteri, with pain irritation
Caulo " " partial paralysis of limbs, anemia, (also moth spots on the forehead hypos) vide Sep.
Caulo. lots of tinea (Actea) in leucorrhoea profuse secretions especially in little Children.

x Stalonias exerts an influence over the trophic nerves, hence interferes with nutrition, the cause will be muscular atony patient drowsy dull inactive predisposed to salivation apthas especially about the vulva, with intense itching with a watery secretion, if the menses are suppressed it is followed with congestion to the kidneys, albuminuria and drowsiness
Caulophyl affects the spinal nerves directly producing spasmodic pains restlessness, even spasms not the type of Stalonias
Senecio like Actea & Caulophyl it affects the spine, it is the best medicine for the sleeplessness of women with the nervous phenomena as hysteria &

when there is amenorrhoea, the lungs are affected Cough with Copious and bloody expectoration, better on the return of the menses. Leucorrhoea or menses preceded by headache, sleeplessness and irritation of the bladder,

Actea sleeplessness from any nervous irritation, Continuous pains, prolonged

Caulop. " " relaxation spasmodic pains,

Helonias heavy drowsy alleviations

Senecio sleepless, irritation of the bladder,

Actea Spic for Rheumatism in the small joints,

Pulsatilla

Adapted to female organism adapted to mild yielding and tearful disposition, slow and phlegmatic frequently Chloratic & Anemic always feels chilly relieved in the open air, this Chilliness arises from the anemia, Congestion of a passive nervous character, Always feels chilly relieved by the open air this Chilliness arises from Anemia, pains are attended by Chilliness, nor the pain the more chilly they get. (Sepia) menses too late scanty, flow thick and dark or thin and watery, Metrorrhagia of dark blood, now stopping now flowing must have the room cool. Amenorrhoea (with mal blood) Caused by getting feet wet, Given to correct malposition especially in the 8 month,

soreness in the uterus during pregnancy, soreness feeling like an ulcer. (Hammamelis externally) Labor slow pains weak or absent, Puls 2c every 3 hours. Pains are spasmodic they produce fainting or smothering palpitation, must have air. (Actea has palpitation pains are distressing because of hysteralgia, not anemic as in Puls. (Chaw palpitation patient is not sure bearing. (Sub wants air an account of the flushes of heat.) Retained placenta from want of action of the uterus, (If hemorrhage has caused the atony do not remove the placenta but give China if there is no after pain and the blood oozes out give China. every 3 hours until after pains came on.) Canth excellent for the expulsion of the afterbirth.) milk disappears and the urine becomes white. Milk leg (Hammamelis) scanty milk, mild temperament Asafetida but there is a nervous excitability nervous fussy. Female diseases, Sepia the irritability of mind more bearing down pains, than Colicky pain, Graph accelerates the menses but last not abundant in fat costive women. who have cough perpetic spins and always chilly., Sars China agree in Anemia, follows Puls well. Puls is also the nearest specific for clysters containing quinine and Iron. Puls medicates air our antidote, especially for the Sulphate of Quinine

Mucous discharges which are mild, eyes nose ears, leucorrhoea.
muco-purulent which are yellow or yellowish green not excoriating
Gonorrhoea nose eyes &c, Checked Gonorrhoea orchitis appears,
pains in the groin aching across the hypogastrium,
(Mere similar orchitis discharge is greenish.) Otitis external
Chancre red and swollen, also for internal in Children & Rheumatic
women, Cham dry ears pains unbearable, if any discharge
thin hot and excoriating) Mere when the ear is moist.
(Bell especially deep seated & cerebral symptoms.) Cephalalgia
with distracting pains in the face, Cephalalgia pains in shoulders &c Rane
gastris indigo Caused by eating pork fats pastry mixed diet,
gastric Catarrh, when from ice Cream, Cold water &c, White tongue, dry
mouth aversion to meat (wine fever) mild persons,
Bry, similar gas Catarrh in Choleric persons, from ironing, mistress
Caused by Cold to warm &
Ipecac gas catarrh Clean tongue, saliva in mouth,
Puls diarrhoea from indig Common after midnight,
Constipation from disease of Liver, Rheumatism when pains shift
rapidly from place to place from exposure to wet, from getting
feet wet, Gonorrheal Rheumatism,
Gonorrhoea supressed entails on him & his posterity diseases which
with trouble many a practitioner,

Kali Bichr first attacks one part then appear in another.
Rheumatism alternating with Gastric Symptoms.
Thuja Gainst Rheumatism sweat of uncovered parts.
gonorrh. dis. gleet like thin watery.
Puls in measels when Catarrhal sym are decided
eyes water, ears inflamed loose Cough, diarrhoea,
Acon for much fever.
Opals watering eyes and nose, with drowsiness,
(Crup slowin appearing Bry Ipec) Kali B. same as Opals
for scrof children, Puls Obscuration of cornea.
Kali B. pustules on Cornea Metast measels. Puls Eyes
swollen ears, Kali B. Abscess from ears into neck
Glands being swollen. Puls nasal secret yellow
Kali B. nasal plugs Clinkers, Puls watery diarrh
preceded by cramps in abdomen. Kali B watery
followed by tenesmus, Puls rattling Cough unmans.
Kali B rattling Cough string Expect.
Puls Eyes L gas light, Kali B worse daylight.

Aconitum Nap neuralgia, paresis of sensation + motion, dropsy rhythms, dropsy of any part with drowsiness, dullness of sensation scanty dark urine, gasping with jelly like stools, dropsy following scarlet fever (into Ars) Urine as it contains Caffeine grouped into Apis. Best Rem for Cerebral effusion, Autonomotions of arms. Sopor, wrinkling of forehead, dark acrid looking vesicles, like Apis in Typhoid states, mental apathy drops things when spoken to when the mind is taken away from the state he is in is carrying on doing anything, dirty reddish tongue yellowish edges, teeth very offensive, vacant staring look. Pain descends Head with anxiety (Hydrocyan Acid) shock passes from head down into the whole body. also Cicuta

Map Imagine Kali Bich Lippe

Ranunculus Sceb wet tongue, Ars, Lyss. also Nat Mur. wet tongue with pains in lower limbs relieved by motion eating or drinking makes Chills Paralysis.

Hydras Can. acts on mucous membranes (Analogue Merc.) swollen tongue Coated yellowish white taste unpleasant of teeth Caries salivation mouth with tendency towards ulcers. food disagrees + turns sour. Gas feeling in Stomach.

Constipation, from the secretory glands of the intestines; many returns for days. Large feces covered with mucus.

Clematis Erecta. accepted by Hahnemann as the antipsoric of this group. is remedy that will drive morbific influences from within outwards, affects the urethra, Urine stopping and flowing. dis of pus in urine, during Urination pains seem to fly all over abdomen even up as high as chest; Testicles, indurated pain pains in Spermatic Cord. Erups Eczema, thick horny yellow worse from washing. gets worse looking & discharges worse worse after full moon.
Worse from washing Phytolac, Rhus Ven, Calc C, Ailanthus,

Cina. antis principles Santonin action Abdominal pang. Collects in brain and spine. Cold sweat. Cold sweat generally indicates abdominal pain face pale face with the fever. dark sickly rings about the eyes dilated pupils, boring in nose Strabismus Convulsions of the extremes. Trismus. Choreic Convulsions of tongue pasa and mark grinding of teeth, restless tossing out screaming & moaning in sleep. Oxyuris vermicularis Lumbricoides.

Child will not be touched or approached, dark haired obstinate Children who will not sleep unless rocked or walked about with in the arms. Ug is Hotter.

Cina exercises a control over the Accomodation of the Eyes. dull frontal headache, aching of eyes, letters appeared blurred relieved by holding the Eyes. Weakness of sight from Onanism Cornea. Xanthopsia. Asthenopia. Strabismus from worms. Using the eyes freely causes pains in Eyes. Chest & back. Cough from worms dry at night or whooping Cough Rigidity of limbs & gurgling down throat. pale hot face anaesia. Urine white turbid jelly like

Intermit fever Thirst only in Chill or only in heat:
Vomiting. Canine hunger. Chill 4 P.M. Clean tongue.
pale face, dilated pupils,
Mera lumbricoides. hard distended abdomen,
Sweet risings. Ascarides. worm in buttocks at night
Cicuta. pain in occiput. vanishing of sight
Acon. proper to Cina when feverish excitement with
fear and in Ascarides.
Cina in pertussis with Cup. & Spicac.
Cina in Asthenopia Compare Crocus. patient feels as if
patient had been wearing an improper pair of Spectacles
Pulsatilla blurred sight Relieved by rubbing. when Chil
rubs the eyes as Cina does the nose..

Artemisia Vulg. like Cina in Epilepsy spasms. Epilepsy
Caused by fright. Attacks follow one another immediately
Utters shrieks between times.

Absinthium. Worm wood. epilepsy forced by trembling of all the muscles. Stupor following. horrible hallucinations

Arnica mont. Complement Acon. Arn in heroic doses is a stimulant, vascular sept. Restlessness Mulitrous of blood. burning of upper lip & body Coldness of lower. Dizziness and heat of head, even threatens Apoplexy after dinner, (Used by Grass in massive doses in Paralysis of whole bladder.) Causes Ecchymosis, his tissue power is his power over Capillary Stasis, Capillary Stupor, wounds this drug in so much from mechanical injury, bruise &c. Capillary supply is disturbed

Bruised feeling, soreness as if pounded. Ecchymosis, petechia. Serous cells Typhoid. Serous exudations. Typhoid exudations Compression of brain. Paralysis. Nasty wounds after inflammations, Typhoid states when present destroys same condition of Capillary tone. Red spots like Sugillations Mind stupid and urine. Apathy. Great indifference. putrid breath

Boils small boils. have been lately referred to
a peculiar state of base mot nerves.
Angina pect Cramp like a band around the heart
pains shoot to liver, pains down left arm. hands
look purple veins swollen.
Perhaps spell comes on after crying. Sinks feel
sore, sputa contain clots of blood. dyspepsia.
bedding flakes like cotton eggs. thinks feel weary
dyspepsia from mental fatigue.
Concussion of brain Hyper dil pupils, loss sight &
hearing. when other symps expressive of torpidity
(dizziness child staggers face pale give Acon)
If child vomits after a fall Ipec,
If child seems to be frightened by fall Opi,
after precursory stages Cured by Acon & dizziness
remains give Cicuta (when arn does not remove
vertigo in old people give Sul Acid)
when strain or wrench Rhus.

Hypericum for fever. laceration of nerves. for the fever and pain, Calendula substituted for arn when lacerated. when sup takes place after Calen give Hepar. Symphytum mechan injuries when bones are involved broken bones when there is tissue irritability. Calc Phos broken bones will not unite.

Chamomilla Compliment Magnes Carb in treatment of Children the Compliment will be found very advantageous Chamomilla Matricaria, generally the one used. Tabes mesenteria when there an abnormal nervous system fits of anguish, pains are found very great pains Cause wakefulness, Gastr after abuse of narcotics & opium, jaundice diarrhoea Colic Convulsions Later pains Metrorrhagia &c, all resulting from or attended by Anger vehemence quarrelsomeness.
Rheumatic pains which drives patient nearly mad and Compel walking must rise, such pains debt, let Check in are sets. Thirst great. usually but great not relieve but unlike Mere, better after great.

sleeplessness Moaning and groaning sleep Nursing
Abuse hot sweat in head facial pain Teeth, Rubbing
in sleep with Children breathing short hurried,
Coffea pains make patient almost frantic
Cham pains intolerable.
Coffea patient feels wide awake Cham Cross peevish
Bell preg Complaints Cham in Child diseases
Bell in fat Children convulsions nothing more vivid.
Face pale or discoloured.
Cina rocking or bathing motion, refuses everything
offered will notice approaches,
Cyripedium. Cries to Die when they awaken at night
and want to play &c.
Cham convulsions darting of tongue side by side tongue
is thrust out Lies on wound sideways side Cup. Sell, Lach
Cham best effects from Coffea. esp if Coffea is drunk
very hot. Veint Colic, wind seems take part up in
different parts of abdomen. Fever, green greenish yellow like
chopped Eggs. smelling like H2S. Especially
Bilious diarrhoea

Probably more worn. Cham clear night.
Cham. dry hard Cough. sniffles yet more frms at
same time, Child Cough evening sleep without waking
etc Children who catch Cold in winter even if there is
chilliness or shiverings
Stramonium sniffles Child wakes like almost suffocated
Nux Vom dry "
Lycopo. sniffles awakes from sleep.
Cuprum Carb. " " " "
Cham Colic or after pains pains down into
upthigh (Puls pains up down knittrake)
Nervous excitation or intensity of after pains
or very painful labor seems to account for too
frequent flow. Bell is similar Mod brightness
Cham dark red. Cham milk suppressed or
purulent. Rheum when milk is yellow and bitter
Cina when Child vomits milk, Sil Child refuses the
mothers milk. Cham suppurs of cellular tissue esp
after Rhus vesicles, small injuries are apt

to suppurate, use Hepar & Sil.
Eleutrigo Cham Merc Sul. Soreness of nipples Ars, Cham, Sul, ©

Eupat perfol Chill 4-9 Am Thirst before or during chill, pains in bones every pulse, aches intense headache, drinks water in cold chilliness, followed by fever vomiting bile. this followed by sweat. Chill begins in lumbar reg. vomiting after the pains before Chill comes on aching all over

Eupat purp. Chorick chill begins in back.

Eupat perfol brake bone fever, in influenza, heart & corpza. stiffness and aching in joints dry cough pains in chest, soreness abdomen, pains in eyeballs. Caust as well as Eupat perfol. wrong soreness. Caust soreness Cham pain. Rhus worse even, Eupat perfol pain great like to go up. heavy pains from from below up. has profuse

urination, from standing over a heater and then
exposing to cold. Urine profuse, dropsy after gout with
profuse urination. Ledum pains gouty. pains in big toe.

× Lachesis Hirsch, great oppression of the Chest, Constriction
of Chest, sometimes Cramp pressure, frequently is forced
to lower part of chest. patient is suddenly awakened
at night has to jump out on floor to get breath. This
is frequently found in Ascites, same feeling felt in
abdomen in Ascites, Lach cant bear clothing like Lachesis
Lachesis has more constrict in throat, Kali Bich suddenly
awakens has to start up to get breath, pain of heart
weak and weak, occurs period at 2 A.M.
Merc praecip Iod, Hg O. as patient is dropping off to sleep
has to jump up for fear of choking occurring in delicate
nervous women. Merc Vir, awakens trembling
anxiety. Gasilago,

+ Gusilago got in Cure of Gonorrhea. Regulates one
eyes Sarchitis.

Scrophulariaceae

I Digitalis — Ars. Spig
Mere. Nux Vom.
Mypica Cerifera,

< China
> Opi. Nux Vom.

V Euphrasia — Cepa. Rhos. Sul
Nux Vom, Puls. Merc, Hepar,
Thuja
Dulcamara

III Verbascum — Drosera.

× Verbascum painful catarrh of frontal sinuses
hot sensitive burning lachrymation. Cough, of a
brazen trumpet sound, associated with hoarseness
voice being deep. > deep inspiration lessened by.
for deep hoarseness. (not huskyness, not whisper)
Sulph & Dros. Dros comes after midnight or as
soon as patient lies down,
Verbas sound comes from deep in chest.
Dros higher up in pharynx higher, hold the sides of
their chest when they cough.

× Digitalis, has a paralytic action of nerves, in small doses
it stimulates the hearts action, continued it paralysis
the heart muscle attacks the ventricle, pulse is slower
than action of heart. tendency of Dig is towards death
similar to Aco, Dig in small doses has a cumulative effects.
Brain head ausat in stooping as if brain fell forward
Hyperaesth. feels as if weaker eyes watering, aching
skull, worse bending head back better bending forward
good in adults, in conjunction with heart disease
when it has developed dropsy, mainly to hold heart

up. head inclin to fall forwards. (back Cicuta Caper.)
Sinking feeling in Stom asip fat would, worse
after eating (breakfast) Liver contraction feeling
about the liver. Bread tastes bitter. deathly nausea,
loss of appetite, stools gray or ash Colored. or white
like Chalk Dodo. Calc. Urine dark and foamy.
Ascites in Chronic Cases. Dig affects prominently
the neck of the bladder. More urine by day while walking
better when lying down. Contracting pains, feeling in
bladder. Urine a sediment dark brown.
Phimosis, balanorrhoea, and thick yellow discharge
from Urethra. Apoplexy especially in Connection
with heart disease, slow pulse.
loss of balance in the circulation from loss of
heart power, Want of manufacture of bile. Urine
has a pale doughy feeling. The least motion increases
the pulse and heart beats, patients requiring Digitalis
be careful how you move them. Contracting pain
about heaviness and paralytic weakness of left
arm. Dropsical swelling diminish at night (Bry)
patient does not wish to be moved for fear the

would die, (Gal if she did not move she would die)
sensation on dropping off to sleep as if they were falling
from a height. (Ammo Carb, has same condition of falling
heart/thoughts is hypertrophied with ammo Caustic.)
(Cyanosis. Dig) (Laurocerasus is better in Cyanosis)
Calc phos Child when raised from Cradle gasps. Croks
frightened. Myrica Cer very near analogue of Dig.
it has complaints.

Berberidaceæ

spells of nausea. affects sight during headache.
good for headaches coming on old & every day.
headache every seven days. ~~Glon~~ Laryngeus
salivia has a greasy slimy taste (symp of pancreas)
Cramps and throbbing in beg of heart. Cramps in pit
of stomach with repeated vomiting. muscles
hypersensitive. Kidneys hot sweaty skin white
tongue severe headache black watery stool
Acon dry hot skin. great thirst &c

Papaveraceae.

The order has this symptom in common. There is a stupor or sleepiness. lungs - - - -

× Opium important alkaloid Morphia 10 or 15 %
paregoric & laudanum Ø. of the Opium.
In small dose produces exhilarating effects thoughts clear mind has full play. mind as if floating in the air, if the dose is increased followed by sleep a light dose or a profound fatal sopor. Comatose state.
face is congested pupils contracted pulse full, slow and strong heavy breathing or it may be stertorous skin dry and warm Stage face Cyanotic and puffy pupils dilated, will not react against light, respiration slow and will not stop. skin cold and sweaty. muscles are flaccid there is flapping hard Especially heard during expiration, Catching breathing from the medulla most a death paralysis of respiration.
(Most Children present the appearances of opium eaters from lack of nutrition child is dried up like an old man skin heavy Give Opi high.)
Mental mind imagination, lack memory stupefaction and dullness of the mind drunkenness with stupor. burning Eyes

hot dry skin loquacious delerium with wide open Eyes red puffed face, furious delerium, stupor snoring in sleep (low breathing & snoring) half open eyes, dark red face, darker the face the more it is indicated, useful in Apoplexy with above symptoms. in Children useful for the immediate effects of fright diarrhoea. Child has full bladder passes neither water nor stool after fright of nurse or mother,

Typhoid.

Opium,

Face dark red
parts of body seem very large
or limbs seem separate from the
Body belonging to somebody else
groping about with the hands
more profound stupor
Incipient paralysis of brain
Snoring breathing dilated pupils
Hanging of Jaw.

Stram

Bright red.
Tingling in limbs also feet
separated, feel fall
Graceful motions.
More violent delerium
not so well marked

Incipt paralysis of brain (Lyco
lower jaw dropped, eyes glassy, noisy rattling in Chest
face not so dark purple) (Hall frequently comes
on even after the dark sooty nostrils) (Lach) (Ars)
The Opium has the well marked sign of paralysis of the lips &

stupor is common to both, Hyos & Amica.
Valerian Nervous Esp in old people. Snakes naigas
seem to approach them they try to run away & hide
their under the bed clothes. (Stram quicker to young, plethoric
individuals, old thing jumping up in every Corner they
jump out after.) Abdomen painless, medicine, except
Colic, (Colic is like plumb.) ~~Stramon~~ (Plumb. Alumina
Muriat Acid) useful in bad colic, intussusception,
(Alumina best with to Opium for bad colic) (Mur Acid
antidotes the narcotic debility of opium.) incarcerated
hernia, & Glias, when the vomit smell of feces,
(Cuprum, vomit like Opium but there is violent spasmo-
dic singultus also Colic,) Constipation stool & hard
dry black balls, (Plumb more like sheep dung more
connected,) useful in Constipation after Typhus fever,
(Injection of molasses, Cocoanut Oil and water)
(Alumina after Opium fails,) Urine suppressed in typhoid state
Lack of power, paralysis of the fundus? dark brown bricks
dust sediment, (Complete suppression Stram) Hematuria.
Convulsions of lying-in women, or during labor, loss of
Consciousness. Spasms more of the flexors followed by
drowsiness or stupor when it Consciously fright

especially violent movements of the foetus patient can't sleep (Sil) (Coffea) Catamenia too profuse with violent urging and forcing sensation in the abdomen also urging to stool, useful in softening of the Uterus. Cough with dyspnoea. Blueness of face gaping after cough indicates in pneumonia of drunkards, after Nux when paralysis of lungs threaten, want of sensitiveness to the action of medicines Opium very best especially when patient is torpid and sluggish, also Carbo veg nerves debilitated about noon especially. (Laurocerus for very nervous, excitable especially in diseases of the Chest,) (Too much psora Sulph Bovin) (Samg for very sluggish people Chest troubles bronchitis especially) (Cupr in bowel troubles Asthma patient patient has fibro sluggish)

Chelidonium. produces constipation or inflammation of the liver, or portal system sharp stitching thro the liver from front to back, Jaundice, pain under angle of right scapula, very marked peculiar action of the heart so forcible, so forcible as to raise the bed Clothes, frequently asymp of acute congestion of the liver, Stool Clay Colored

or bright yellow and thin this has very characteristic
Right supra-orbital neuralgia with profuse lachrymation.
Helps from liver, pneumonia or Capillary bronchitis or
pulmonary oedema very useful. when there is the bright
yellow liquid stool. also in severe cases face dark red
great oppression of breathing fanlike motion of the
alae nasi loose rattling cough. (Mur. Tartic phos. lycopo)

× Sanguinaria

Acts on vascular system producing bright red Cheeks
feeling of heat in the parts &c
Sick headache begins in the AM in the occiput settles
over the right eye with nausea and vomiting intolerance
of noise, can't bear a person to walk across the floor.
diminishes at night better after sleep. Relief by pressing
head on the pillows, (hearing is so acute often sense not disturbed,
Supra orbital neuralgia over the right eye.
Catarrhs hot scalding Coryza (right nostril) hot lachrymation
(right) throat hot and raw scalded feeling dry tickling Cough
the whole terminating in a diarrhoea. Useful in pneumonia
bright red Circumscribed Cheeks, one or the other, great dyspnoea
dry cough or rust colored sputa. no pain or burning
sticking when pleura is involved, severe cases 2nd or 3rd stage
livid face livid Cold hands pulse weak and quick.

weak feeling about the heart (Crat) useful in phthisis florida Cough at night dry and teasing, Coughing as soon as flatus is passed up or down. (Sul. rhycops hung bronchitis) articular rheumatisms antidotes the salves applied topically. (Kalmia) Rheumatism right deltoid muscle Climacteric period flashes of heat in the face especially, & a leucorrhoea latter profuse with the menses. Sonny has a numbness or pain in the left scapula.

Miscellanea

Dolichos, useful in jaundice when there is itching without any appearance. Teething children gums itch also, constipation if given too often it causes spasmodic symp. give Bism to prevent that. Crat

Lacta deflorata

Best remedy for sick headache or anaemic women throbbing in the forehead 2c. (Skimed, milk diet in drunkards useful)

Useful for Dropsy skim milk Proper diet for diabetes mellitus cures most cases, no sugar food

Panlbina useful for sick headache excellent in cholera infantum when stools are green & odorless

Arum Dreyphyllum

Scarlet fever malign
Mouth & nose intensely sore nose discharges a burning ichorous fluid mouth & throat so sore that the child wont open the mouth, corner of the lips cracked (strawberry tongue) sore excoriated surfaces between the thighs & genitals dark purple

In severe cases child picks at one spot bed clothes or the face. this symp has also been noticed in Uremia

Useful in hoarseness the voice fails speaking in one tone, then they suddenly squeak in a higher note

Ailanthus

Useful in malign scarlet fever, eruption almost livid

Phytolacca

Sore throat extending diphtheria dark red throat
aggravation by swallowing anything warm liquids
(Merc jod is similar Merc jod Complementsit.

Millefolium

Best remedy for hemorrhages from the lungs in
tuberculous patients also suggested for from
falling from a height hematuria blood forms
in a cake in the vessel quickly

Leachnanthes tinctoria

Stiff neck after diphtheria or scarletina drawing
from either side caused from the brain (stiff
neck staring at one point (Cicuta)

Moschus

Cough followed by spasms of lungs & dyspnoea
& in hysterical patients (blueness of the face
Opium) (Ketania Ipecac) Threatened paraly-
-sis of the lungs in typhoid fever (Mur. Acid + Phos)
Hysterical fainting on going to bed

Mineral Kingdom

Electro - negatives act from the bowels towards the chest evening Electro positives morning on the chest evening on the bowels. Thin polar relations. Chinin & Sele are mimical

The neutrals are undecided.
